

**Emerald Forest Bungalows** supports several types of bungalows/cottages. To start, this is our 10th season here at Emerald Forest Bungalows with a history of the existing place that dates back almost 50 years. Most of the older

bungalows/

cottages

are your classic design reminiscent of an era gone by. Rustic yet charming. Your grandparents would feel right at home. These are one and two bedroom bungalows/cottages with closed in porches. We are presently in the process of rebuilding Emerald Forest Bungalows with a new greener look. Our new

bungalows/

cottages

are chalet style with cathedral ceilings where there is a bedroom downstairs and a sizable loft, with all modern appliances. So choose what you like, kick back, read a book and relax. Yoga by the pool? Or maybe go for a hike at one of the local state parks. Do you like to climb? We have world class trad climbing at
